

Introducing a New Management Tool!
Production Checklists for Remodelers

Designed for you by:

This set of checklists, designed by Tim Faller of Field Training Services, was created to help your field personnel manage job details and cut down on your final completion list.

Do you have trouble with your field staff:

- Missing simple details
- Saying the job is finished but it really isn't
- Going back and tearing out because something was missed
- Not really being ready for the next phase

Checklists included:

- | | | |
|--------------------------------------|---|--|
| <input type="checkbox"/> Job Review | <input type="checkbox"/> Plumbing Rough | <input type="checkbox"/> Cabinets |
| <input type="checkbox"/> Job Prep | <input type="checkbox"/> Electrical Rough | <input type="checkbox"/> Tile |
| <input type="checkbox"/> Site | <input type="checkbox"/> HVAC Rough | <input type="checkbox"/> Hardwood Floors |
| <input type="checkbox"/> Excavation/ | <input type="checkbox"/> Insulation | <input type="checkbox"/> Hardware |
| <input type="checkbox"/> Foundation | <input type="checkbox"/> Drywall/Plaster | <input type="checkbox"/> Plumbing Finish |
| <input type="checkbox"/> Masonry | <input type="checkbox"/> Trim | <input type="checkbox"/> Electrical Finish |
| <input type="checkbox"/> Framing | <input type="checkbox"/> Paint | <input type="checkbox"/> HVAC Finish |

These Checklists will:

- Provide a standard for quality of work
- Help your staff to catch details
- Provide a way for your concerns to be addressed at each phase of construction
- Provide accountability by having signed documentation of completion for each phase
- CD in Microsoft Word Format so you can customize each phase
