

Introducing the Field Training Services Lead Carpenter/Production Training CDs

Did you ever want Tim Faller to conduct your training for you?
Now you can have him train you and your crew without the cost of airfare and at your convenience!

Tim Faller of Field Training Services has recorded 11 CDs of the most important topics in implementing the Lead Carpenter System and for improving profitability with any production system.

This 12 CD set will walk you and your team through 11 important topics and provide the PowerPoint Presentations that accompany each training. To help ensure that the training information is implemented, each CD has a quiz associated with it so managers can generate discussion and real change.

The Twelve CDs are:

1. Data Disc - PowerPoint Files and Word Files for all Quizzes
2. The Lead Carpenter System
3. The Lead Carpenter Job Description
4. The Lead Carpenter and Profit
5. The Lead Carpenter and Time Management
6. The Lead Carpenter and Customer Service
7. The Lead Carpenter and Scheduling
8. The Lead Carpenter and Pre Job Planning
9. The Lead Carpenter and Sub Contractors
10. The Lead Carpenter and Paperwork
11. The Lead Carpenter and Job Cost Reports
12. The Lead Carpenter and Change Orders

**Priced at only \$349.00 these CDs are a great addition to your library
and your training agenda!**

To order print and complete the form below and send in with a check. Product will be shipped within two business days of receiving your check. As usual our thirty-day money back guarantee applies to this product!
